Information: Additional colour “Matte Gold (MGL)” LM

Dear Valued Customers,

BBS Japan now adds colour “Matte Gold (MGL)” forged aluminum wheel LM. The gold of the traditional racing style “LM” has been reimagined with a deeper tint. This will accelerate the inherent power of “LM”, resulting in a truly majestic presence. There are two types of rim available. Legendary Silver Diamond cut or shining innovation of Bright Diamond cut.

Thank you very much for your continuous support.
